

DADS FOR DEFENSE

THE JOURNEY

1 JOIN

Login to access our collection of subject matter experts and corresponding companies that have curated custom content to **help educate and prepare the modern man for the threats of today.**

2 CHOOSE

Choose what is most important to you that day. We have:

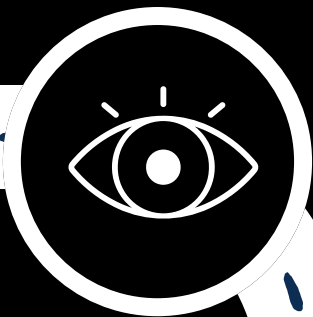

- Intelligence Briefs
"Making Sense of the Headlines"
- Expert Course Videos
"Like Netflix, But Cooler"
- Expert Articles
"Experts at Your Door"

3 WATCH

Watch our instructional videos to get unique knowledge on all things safety and security.

But there's a twist...

Learn these skills **without needing to spend thousands of dollars, or even leave your house.** Each course is info-packed with a short quiz after it.

4 EARN

Earn certifications from the comfort of your own home in various topics **that will help you defend yourself and your loved ones.** Topics include:

- Hidden Camera Detection
- Concealed Carry Selection

And so much more!

5 CLIMB

THIS IS A COMMUNITY

Or a "Tribe" as we like to call it.

Earn points for each completed course and intelligence report read. **Then climb up the leaderboard to be eligible for monthly prizes.**
